

EC DECLARATION OF CONFORMITY

This certifies that following designated product

Neon Transformer

Secondary current 18mA, 25-30mA, 35-37mA, 50mA, 75mA, 100mA, and 150mA

(Product identification)

Transformer for tubular discharge lamps having no-load output voltage exceeding 1,000V with secondary voltage between 1,000V and 10,000V

Complies with the essential requirements of Low Voltage Directive **2006/95/EC and CE-Marking** accordingly. This declaration applies to all specimens manufactured in accordance with Daehantrans Co., Ltd.'s technical manufacturing drawings. Assessment of compliance of the product with the requirements relating to electrical safety was based on the following harmonized standards:

LVD: EN61050:1992+A1:1995

(Identification of regulations / standards)

Daehantrans Corporation Limited declares that the apparatus specified above conforms to the Directives and underwritten Standards.

LVD: 89/336/EEC Electromagnetic Compatibility Directive

(Identification of regulations / standards)

Standards to which conformity is declared: EN 50081/2, EN 50082/2
EN 61050 Standard Transformers for tubular discharge lamps having a no-load output voltage exceeding 1,000V

This declaration is the responsibility of the manufacturer/Importer

DAEHANTRANS Co., Ltd.

#994-17 Dongchun-Dong, Yeonsu-Gu, Incheon, Korea

(Name/Address)

This document is only valid in connection with Test Report No.: SCR074S-029. When installed in accordance with the manufactures specifications and with no liability for the parts or components added or assembled by the customer.
